President's Corner:

Our August canoe trip was cancelled so I do not have much to report for this month, therefore the short article. Everything looks good for September. It appears we will be welcoming fall with a full calendar.

Jeanne and Frank Vince, members of WHSA, and founders of the Prairieville Desperados are going to have a cowboy fast draw shoot at our September meeting. This should be a lot of fun! They have the equipment necessary for the shoot. We will start the meeting at 6:00pm with shooting, and business after, so please mark the time change on your calendar.

Our ATV trip is also coming up soon, so we will be discussing that at the meeting as well. The dates of the ATV trip are September 11th, 12th, and 13th.

I am hopeful you are all doing well with your fundraising efforts, and the flowers are selling well. Only a few more days remain with the sales so email people that there are only a few days left just in case they forgot to order and were interested. Remember, if we all sell twenty items we will make \$810.00! I have two full order forms. How about you? If you are not going to attend the September meeting, you will need to make arrangements to get me the order forms.

See you all soon,
Sarah
President

Terry's back! She's been working and fishing a lot. She fished in Ferryville and caught hundreds of fish.

Jeanne and Nick went trap shooting. Jeanne did ok and Nick did very well.

Jean's only been cutting wood to pass her time.

Cowboy's Desperados are now official at Hartland Gun Club and have started their cowboy fast draw practices.

September 1st meeting will start at 6:00 pm and we will have Cowboy Fast Draw before our meeting. Backup will be at Hartland Gun Club. (We will need Steve's approval.)

Saturday, August 15th day canoe trip has been scratched off the schedule.

ATV trip was finalized.

No bag raffle this evening.

Meeting adjourned.
