Congratulations Tina for being named 2009 Sportswoman of the Year!

Tina has been a valuable active member of WHSA. She has contributed many hours to our community activities such as Kids Fishing Clinic, Prairieville Desperado's fundraiser, and our flower bulb fundraiser. In addition to her great work for WHSA, she continues to explore outdoor adventures with her children including camping in the Grand Tetons the past year. Being a positive role model for children is important to Tina, evidenced by her enthusiasm for being a Girl Scout leader. Tina participated in most WHSA activities in 2009. She is willing to learn new skill sets including cleaning fish and ATVing on trails. She participated in Video archery and attempted to revive our canoe trip. Tina is always willing to lend her hand at all events and brings new energy to the club. Tina is dedicated to the mission of WHSA and an asset to us all!

On January 30th the club will be shooting at Waukesha Gun Club. For details call Jean T. I unfortunately will be unable to come. I hope you all have a great time!

We also have our annual tubing trip at Sunburst Ski Hill on February 6th at 1:00. We will be dining afterward. For details on that trip, feel free to contact me directly.

We also have the conservation banquet on February 5th and WWA banquet on February 15th. For details on Conservation banquet, again the contact is Jean and for the WWA banquet you may call me.

Jean is working on getting our 2010 brochure proof done so we have flyers to hand out at these events and others that we are sponsoring in 2010. I am looking forward to seeing it! We have lots of exciting advertising opportunities coming up.

Hope you are all staying warm and enjoying the outdoors!
See you soon,

Sarah Ingle
President
