President's Corner:

Welcome Members: Judy and Sierra!

Thank you all for your patience in getting a newsletter! I was in Canada for the June meeting and then I was in Florida until the end of June and early July. Even though the last few weeks have proved to be quite hectic with work, vacation, and all summer errands, I managed to sneak in the WHSA fishing outing. A must attend event! We had a great time together on June 25th fishing at Lower Springs! Jean and Jill won the coveted traveling trophy, weighing in with one pound of fish more than the second place team. Congratulations Jean and Jill on winning! Jill, you've come along way from never touching a fish. WHSA is proud to have been a part of your growth!

We are looking forward to our July events! This weekend, four of us are attending the Women's Recreational July 15th. This is both a fundraiser and an all Women's Shoot in Saukville. There are guns and prizes for everyone to win! You can be a novice or an expert; everyone has a chance to win. I hope other ladies can join us that day. Please call me if you want details or to carpool. WHSA has also donated memberships and a lady's shooting door prize to help support the cause! On July 22nd, we will be river rafting in Baraboo. Jill is the event coordinator and will be sending out more details via email. We will be taking the scenic and the rapids tour to fill a complete day. Rumor has it that I signed myself up to bring everyone lunch, so let me know what your order is and I'll have it ready for you. You can call Jill for more details at 414-617-2635.

I am looking forward to these events and hope that members can find time during these busy summer months to take time out for yourself too. Enjoy a float on the river, or a walk around the sporting clay course for charity. Come, be with friends for a good laugh!

Hope to see you all soon!

Sarah Ingle-Gazdecki
President

Member Activities:

Sue Krueger shot a 42 at the cancer shoot-out at Wern Valley. That's the highest ever that she's shot.

Jill went to North Dakota fishing for 3 days at Devil's Lake. She came home with 40 walleye and 3 Northern.

Sandy and her brother were fishing on Pine Lake. They were catching Northern and Bass.

Sharon was in Kentucky at Mammoth Cave and the Smokey Mountains in Tennessee for a week with her family. Their highlight of the trip was the cave exploring tour they took. It was a 3 ½ tour in the cave and over half the time they were crawling on the hands and knees and squeezing through very small openings. They also hiked several trails that the kids said were "actually worth it" when they were finished.

If you would like to share an activity you have done, please email Sharon (Sharon@hillsidecottage.com) and she will put in the newsletter. (Or mail to Sharon Yunk, S31W38655 School Section Lake Rd, Dousman, WI 53118)
