President's Corner:

Summer is now in full swing! I assume by now all the members affected by the flooding have cleaned up their basements. I would like to extend my sympathies to Jean and Jill who recently lost their brother, and to Terry who lost a dear friend. You have been in my thoughts and prayers.

July was a busy shooting month. Some members attended Women's Recreational Shooting Sports Women's and Couples shoot at Wild Wings in Campbellsport. Congratulations to Sue and Mark who won 1st place in class A! Great shooting! I took a co-worker Karen Jansen, who also attended Women's Outdoor Day. She shot an 18! A great score for her first round of shooting, and now she has a desire to join the club! Women's Outdoor Day has results, and all your hard work really does encourage women to become involved. Members also attended the Great Cancer Shootout at Wern Valley. A fun course and great special events! The fireworks were once again spectacular! The bird watcher's board items that WHSA donated were much appreciated and a good showing of raffle tickets in our bucket! In fact, I won an item on our board that was donated by Friends of Nature. We could not have asked for better weather for both events!

Jean is the event coordinator for the ATV trip. The event is scheduled for September 5th, 6th, and 7th. We are camping this year. For more information on the park visit <http://www.co.clark.wi.us/ClarkCounty/Departments/forestry/parks/ParksCamp/RockDam.asp>. If you have not let Jean know that you are interested, please contact her so she can complete the registration for the campground. We will talk more about the details at our meeting.

We will also be reviewing our August event at the next meeting. What we are doing still remains a question. Are we rescheduling fishing or shooting an event at Wild Wings? Come to the meeting and help us decide!

Hoping to see you on August 5th at 7:00 pm!

Sarah Ingle - President

Member Activities:

Jeanne Vincze bought a new Browning Rifle, but has not shot it yet. Sounds like a trip to McMiller is in order! Let us know how it shoots, Jeanne.

Jean and Jill were doing some pan fishing and ATV riding up at Jean's trailer. What a great combination of fun activities.

Sarah got her deer mount back from the taxidermist and it really looks great! I'd forgotten how big that thing was!

Events coming up:

Women's Charity shoot is July 19 at Wild Wings

The Great Cancer Shootout is July 26 at Wern Valley. All the proceeds go to the Cancer Society of America. Steve Williams is a cancer survivor and we will be sponsoring a bird watcher's board to the cause. August we are planning a fishing outing or other activity on the 16th, more information will be discussed at the August 5th meeting.

Meeting adjourned.
