President's Corner:

I am back from Canada and happy to report that the fishing was great, the company was wonderful, and I am still here after the trailer leaf spring broke on the freeway. There will be so many interesting stories to share with you at our annual fishing outing on June 27th. This year it will be held at Lower Springs Lake in Palmyra. We will launch at 8:30 am, and will fish until 3:00 p.m. We will clean the fish, and enjoy a shore lunch. Please bring your own beverages and a dish to pass. I will supply the items to cook the fish with. Please contact me for further details on location and the event if you were not in attendance at the meeting and do want to come.

On July 11th we plan to attend the Dan Ross Memorial shoot at Wern Valley. I continue to look for a gift to donate to the raffle.

The cancer shoot is also in July on the 25th at Wern Valley. If you don't shoot, this is still a great event to attend with an awesome display of fireworks, music, food, raffle and silent auction items.

See you all soon,
Sarah Ingle
President

Treasurer report: \$942.56

Secretary report: As written in the newsletter

Sharon Yunk was sporting clay shooting and shot a 20. She is improving every time she goes out. Very nice job, Sharon.

The Fast draw shoot was a blast for everyone who attended. A couple club members are now hooked after shooting the event. Thank you Jeanne and Frank for introducing us all to a new shooting sport!

The club will be splitting the profits with The Prairieville Desperados at \$150.00 for each club. Thanks everyone who volunteered their time and food items to this event.

The Waukesha County Conservation Alliance which gives financial support to projects such as Kid's Fishing Clinic, scholarships, dock and pier maintenance in Waukesha County, is looking to have our club join this affiliation. A motion was carried to join and accepted by our club to join. There is a \$35.00 a year fee and they meet on the second Wednesday of the month. Jean and Jill volunteered to be the delegates for the club. They will attend the meetings and report back to the club about upcoming events and projects.

The club's fishing outing is June 27, at Lower Springs Lake. We will meet at the boat launch at 8:00 am. If you have questions or need a partner, call Sarah who is the event coordinator.

July 11 is the Dan Ross Memorial shoot at Wern Valley. This is a 50 round sporting clay event at \$35.00 per person for the round. There will be food and raffles available and the club will also be donating a wine basket for auction as well. We would like to shoot this as a club, although significant others and family members are welcome to shoot also. We would like to shoot around 1:30 pm. Any questions, please contact Sarah.

The bag raffle was won by Karen: A see through waterproof bag.

Meeting adjourned.
