President's Corner:

Welcome Jeanne Vincze to the Board of Directors!

I hope your backs are all healing quickly from the enormous amount of shoveling that had to be done this winter. For the snow lovers of the group, what a year this has been for you with record numbers that kept falling from the sky. It's almost hard to believe that no two snow flakes are alike. It reminds me that no two of us are alike, and we certainly had a great opportunity to showcase that at Cabela's Great Outdoor Days. We had two beautiful display boards up all weekend. Thank you Sharon for your scrap booking skills, and donation of papers to highlight all the members accomplishments. We handed out hundreds of key chains and magnets to attendees, with a wonderful opportunity to promote the club, and Women's Outdoor Day. I am hopeful that passing out the flyers for Women's Outdoor Day that we will have a full venue on May 31st.

Please keep in mind that Kids Fishing Clinic is April 12th, and we need all the man power we can get! Bring your significant other, your children, your nieces and nephews! This year our park has been changed to Muskego Park. Jean will have more details at the meeting. Our start time is 8am.

Good luck to the members who will be turkey hunting this spring. I wish you all a safe and successful hunt.

Happy Spring!
Sarah Ingle - President

Activity Sharing

Sunburst tubing was held in February and a good time was had by all. Many family members came with the members. We're happy to say that nobody got injured or crashed into anyone else this year.

Jean, Jill, Frank, Nick and Jeane all went to the Waukesha Conservation alliance dinner. They said this was a great evening, the food was good, but nobody won anything this time. Better luck next year.

Jill went ice skating at Red Arrow Park and she didn't even fall down.

Topics of Discussion

Kid's Fishing Clinic will be held at Muskego Park on Janesville Rd, which is a 1/2 mile west of Racine Ave on April 12th. Please be there at 8:00am, clinics start at 9:00am. If you need information contact Jean Tackes. All club members will be needed for this event.

Women's Outdoor Day is being held at Wern Valley on May 31st. We will be offering instruction on:

Shooting

Archery

Fishing

Again this is an event where membership is going to be needed for this to run smoothly. We promoted this at the Cabel's Outdoor Day, so we may have a great turnout. It is from 8:00-2:00 pm.

Membership renewal will be held in April so please rejoin as an active member. The fee will be \$25.00 as usual.

Bag raffle was held and Terry won a nice spring potted plant.

Meeting adjourned.
