## A Letter from the President

I am cautiously thinking spring is here, and Sharon Y assures me of this because the sand hill cranes are back. I was sitting on my front porch just last week, and a flock of twenty-one sand hills flew over my house. Their call is an amazing sound.

Turkey hunting is coming up for the ladies who have a spring permit. I wish you all a successful hunt.

I missed the handgun outing on March 19<sup>th</sup>, but am hopeful that you all had fun. Fletchers was once again accomodating to WWSA.

On March 26<sup>th</sup>, a few members attended the Pheasants Forever banquet where we hosted the Ladies Raffle Board. A big thank you to Jean and Mark T who put together a lovely display for our items. Jean did a wonderful job displaying the many donated and purchased items for the raffle board. The raffle board sold \$570.00 and split 50/50 with Pheasants Forever. Our profit before expenses is \$285.00. I spent \$136.51 on raffle prizes which leaves us with a \$148.49 profit. More valuable than our profit is having the opportunity to get WWSA information in the hands of ladies who may be looking to join an association such as ours. Sharon Y did another wonderful job on the printing of the brochures, and I thank Accurate Graphics for completing them for us.

Kid's Fishing Clinic is April 16<sup>th</sup>. Please keep this date open. Volunteers are always needed!

I am recovering well and will see you all at our next meeting on April 5th!

Sarah Ingle  
President

## **Minutes of the Meeting March 1, 2011**

(By Sue Krueger)

Meeting called to order at 7:10

Quorum established

Treasurer's report: \$1234.03

No meeting in February, so no Secretary's report

Rock climbing in February was really fun and exciting. The two Sharon's were there, Karen, Sue and Cheryl all attended. Cheryl was a natural and scaled the tough walls and made it look easy. Sue needed to get over her fear of heights and go to the top which eventually happened, but took a better part of the evening. Karen also gets up those things pretty quickly too.

Terri has been ice fishing in the Crivitz area and is getting into the northern and bass. A lot of Friday fish fry's for her, good job.

Sarah, again this year, received the Fishing Woman of the year award at her Luncheon Unlimited dinner, receiving a plaque and traveling trophy.

Sharon Yunk has been snowmobiling up north and having a good time doing that.

The Pheasants Forever Banquet is Saturday March 26 at Serb hall. If you have questions about event, for set up and dinner times, please contact Jean Tackes.

Kids fishing clinic is April 16 at Muskego Park. If you need to get a background check done, now is the time. Again, contact Jean Tackes for more information regarding this action item.

The WCCA Membership is coming due and we will renew our dues with a motion put on the table and accepted by the club.

Our own membership dues are due, so please pay Sharon Yunk either at the next meeting or mail her your fee. These dues are due on the April 5th meeting.

The bag raffle was won by Sharon Yunk, with a hummingbird feeder and seed.

Meeting adjourned.
