President's Corner:

Fishing Season is here and it is with regret that I informed the members I would not be attending Women's Outdoor Day on May 31st. I know the members are more than capable of running this event without the President there and you will all do a great job for the women who registered. I believe that you have all received my e-mails that the raffle prizes and food will be dropped off at Wern Valley, and also that C-Bob offered to instruct for the shotgun clinic. Please remember to bring your 20 and 12 gauge shotguns for attendees to try. Everything is in place, and I know the day will run smoothly. I will pray for good weather so all can enjoy!

On May 14th seven members attendrd the video archery outing at Buck Rub Archery. Thanks to Sharon who coordinated this event for us, and she came out with the win! We are so proud of how you have excelled at your archery skills! Not too shabby! We all had a very nice time. Nick even came back from the Wa.... town he lives in, and I still owe him a beer for shooting the turkey in the head. Nice shot!

June 22nd is the WHSA annual inland lake fishing outing. This year our outing will be held on Phantom Lake in Mukwonago. Every year we fish together and have a shore dinner. Most of us try to catch pan fish for good eating, but you are also welcome to fish for game fish. In this newsletter, there are more details about the event. However, feel free to call me. Looking forward to seeing you then!

Blessings for a great Women's Outdoor Day!

Meeting called to order 7:20

Established a quorum

Introduction of Sharon Whittemore who will be our archery instructor for WOD. She is a girl scout leader and an 8yr. level 2 instructor.

Sharon Yunk started shooting trap at Hartland with a new Benelli that she won. It's great that she's stepping out of her comfort zone to try something new. Jean went fishing and caught some trout, Jill was also fishing as well. Sue K. got a new Black Lab puppy named "Speck" and he is doing great. A new bird dog in the making. Jean and Jill were turkey hunting but neither bagged one. Although Jean had a tom calling back to her but he just wouldn't commit. Terry and Jill went to a fledgling sportsman's dinner in Oak Creek. They had a very nice time, and enjoyed a great speaker about deer hunting. Jill also did win a few raffle items, but she didn't tell us what, we'll update everyone at the next meeting.

Treasurer report: \$1811.90

So far 10 women are signed up for WOD on May 31 at Wern Valley. Please be there at 8:00 for set up.

Kids fishing clinic had very low attendance due to the terrible weather.

Our club fishing outing is on June 22.

Meeting adjourned.
