President's Corner:

Thanks to Sharon for organizing our video archery shoot in September. WE all had a great time. Jean was the winner of this outing! Beating us all with her keen eye for the kill zone! Many of you already know that the New York Post interviewed us. Unfortunately, we were portrayed as an archery club, but still nice to get the message out to the New Yorkers that women are active in the outdoors and we have a voice as well. It was nice to see you all again, and nice to see other members are actively recruiting others to join in on our activities. Sue reports that the video archery range has been upgraded with a new projector so I am looking forward to going again soon.

The McMiller Cookout is being held on November 15th. If you can please pen this event into your calendar as we need everyone's assistance. After we sell hotdogs, chili, walking tacos, and all the side dishes, we will be shooting sporting clays. So come help raise money for our cause and enjoy a round of shooting after. Many have offered to purchase items, and cook for the event. If you are moved to do some baking, please feel free to bring along some treats to sell as well. Your significant others, and friends are also welcome to come assist and have fun with us too.

November 4th is Presidential voting day, so please go cast your vote. It is also the day of our next meeting so if you are late because you are standing in voting lines, all is forgiven, but I look forward to see you all there.

Waterfowl, T-Zone, and Archery hunting have all started and I hope you are all enjoying the outdoors safely and successfully. Can't wait to hear your stories on the 4th! Happy Hunting!

Sarah Ingle
President

Secretary Report minutes as written in Sept. issue

Video Archery was a blast and Jean Tackes won the whole event. Nice shooting by everyone who attended. The screen was a little dark, but they have since gotten a new projector and the graphics are so much more improved that we will have to set up another day to do this again. We may discuss this at the November meeting. Cathy Knickelbine was duck hunting on the Buffalo River with both of her young dogs and they did very well! They got 8 birds and 1 goose. Nice shooting too!

Sarah was at Lower Springs and got stuck on the mud flats. When all the flooding occurred in June, it washed the dam out of Upper Springs so all the silt and mud came down here. She had to use alot of muscle to get herself off of that one!

We will be having a McMiller Cookout on November 15, to sell chili, hot dogs and bakery, also selling raffle tickets for a Fishing Charter, Gas Car and Golfing.. This event will start a 8:00 until 3:00 and then we will shoot a round of sporting clays. Please let Sarah know if you will be able to come and help for this event. Our Holiday Party will be at our December meeting which is December 2. Spouses and significant others are welcome to attend this party. A dish to pass will be served. Also a gift exchange if you are interested in participating in that for \$25.00.

The Bag Raffle was won by Sue, and it was a Halloween candy dish and of course candy to put in it.
