President's Corner:

Hunting seasons are in full swing. I hope that despite the rain, the season has been eventful for all of you.

We did not have an October outing to write about so I apologize for my brief article.

Our next event will be held on November 14th at the Waukesha Gun Club. Jean is investigating if we can shoot sporting clays or trap and will let us know at the November meeting.

During our November meeting we will be planning our calendar of events for 2010. Please bring your schedules, and ideas of activities that you would like to see WHSA institute for the upcoming year. We will also be planning our holiday party, and voting for Sportswoman of the year as well. So I hope to see you all there.

Best of luck in your outdoor adventures!

Sarah
President

Next Meeting:

Our next meeting is November 3, 2009 at 7:00 pm at Wern Valley. Please join us!

Secretary's report: As written in the September newsletter

The ATV trip to Jean's this year was fantastic! Everyone had a great time. The weather was absolutely perfect, and we didn't have any machine malfunctions.

The trails were in great shape and a lot of them were sand which was really fun.. We had a few on the trip who hadn't ridden before and they had a great time. We did find a great water hole to "play" in and had a "splash". We then stopped at a park on the way home that was just about 1 mile in length with some great twists and turns with mud to boot. The pictures tell the tale.

Jean was duck hunting and bagged 2 wood ducks.

Sue was hunting in the U.P. and is on the board with a drake wood duck. The mallards were few and far between, but almost had a limit of wood ducks between her and her husband.

The club will get 1 free month of rent in 2010 due to sporting clays still being shot and some of the guys were still in the clubhouse socializing during our meeting on this night.

We will be shooting sporting clays on November 14 at Waukesha Gun Club at 10:00am. Any questions please call Jean Tackes.

Our December meeting will also be our Holiday Party. Husbands and significant others are welcome. The club will provide ham, turkey and rolls and everyone will bring a dish to pass. The club will also provide 2 free drink tickets per person.

Our November meeting will be when we schedule the following year's events, so if you have an event you want to try or learn about, be sure to be at the November meeting to put in your request.

The flower fundraiser was a great success and we raised \$981.45 for the club. Great selling everyone!

The bag raffle was won by a friend that Tina brought along, Rachel, who is considering joining the club. Welcome! Rachel won a nice camping lantern with a dimmer switch.

Meeting adjourned.
