President's Corner:

If you didn't come on the ATV trip you missed a great time! The weather was beautiful and the trails were a lot of fun! In WHSA spirit we had great food as well! Our pudgy pie contest was fabulous. We had so much stuffing left over we ate the filling on our beef tenderloin the following night. Of course, the best part of the trip is making great friends around the campfire. Jean was the event coordinator for the ATV trip, and I thank her for the time and effort put in to making this a fun time with great trails! I am happy to report we went incident free this year! No blown tires or breakdowns! I however did get one heck of a bee sting on my thigh, and would like to thank nurse Terry for helping me out with medical care. You haven't really experienced a bee sting unless you drive into it going 45 miles an hour. Ouch! Thank you Sharon for hauling us and our ATV's to Clark County in your trailer/sleeping quarters.

We have voted to have the McMiller Cookout Fundraiser again. See the minutes for details. We will be shooting sporting clays after. As always, it's a nice time for everyone. We discussed having a raffle that day for gas cards. Since our September meeting, I have had offers for donations so I will e-mail the members to get a vote on how to proceed. Look for that the week of September 22nd. Check the event calendar for upcoming events! Hope to see you soon!

Waterfowl hunting is approaching us rapidly and I want to again extend the invitation to you all to come along! Feel free to give me a call to set something up. Bow hunting is also open and I hope those that go are having great luck!

Happy Hunting!
Sarah Ingle - President

Activity sharing:

Jean and Jill went fishing on Lower Springs Lake and caught some really nice bass, and a lot of them! Jill still wouldn't take the hooks out, so sister Jean did a few for her, and eventually ended up taking them out herself. She's making progress!

Terri was also out and catching bass on several different lakes. She was also hunting early goose season adjacent to a golf course, but did not get any geese. Lucky for her she was able to get her dogs to retrieve golf balls in the long grass and ended up bagging 70 balls! I wonder how those taste?

Our September outing will be on Sept. 24th at Buck Rub Archery for video archery at 6:30pm. Sharon Yunk is the event coordinator for that outing, if interested please let her know.

We are planning on doing a chili and hot dog cookout at McMiller's this year on November 15th, and will raffle off gas cards and then shoot a round of sporting clays afterward. Volunteers will be needed for this event, since it's 2 weeks before opening of gun deer season, it has potential to be very busy with everyone sighting in.

The bag raffle was won by Jeanne Vincze, a Halloween wreath with black cats and pumpkins on it. It is that time of year already!

Meeting adjourned.
