President's Article

I am hoping that this newsletter finds you all in fall spirit preparing for the color change and possible upcoming hunts.

Our yearly ATV trip was a success. We had beautiful weather and a beautiful campground to stay at. I believe we traveled over 130 miles in two days. The trails were groomed nicely. There was no rain, therefore, no puddles, but we were dirty anyway. Even the non-ATV riders enjoyed the campground. They biked and hiked around and attempted to fish. Thank you Jean for finding the lovely site and nice trails to ride on.

As you know WHSA approved a raffle for a fundraiser. I have purchased the grand prize gas/charcoal grill smoker. Gander Mountain provided WHSA with a wonderful discount on the \$445.00 prize. We obtained the grill for \$367.00 with tax included. Jean is purchasing the second place prize which is a \$200.00 camping package. Wern Valley donated a round of Sporting clays for four people for the third prize. Fourth place will be a \$50.00 gas card.

Sharon Y is printing up raffle tickets for the club and they will be distributed at the October meeting. If you are not at the October meeting, your raffle tickets will be mailed to you to sell. I called upon each member at the meeting, and am doing it again in this newsletter, to sell at least \$100.00 worth of tickets so we can profit from this raffle. You are asked to return your sold and unsold tickets by the holiday party with the corresponding funds. You are responsible for every ticket in your possession and leniency will not be granted. Please do your part to make this a successful raffle.

Please also clear your schedule to help at our cookout fundraiser at Gander Mountain on November 12th and 13th. Everyone's assistance is needed. Please email me if you are available both days or one day and which day please.

I will not be at the October meeting as I will be enjoying fall colors and lobster on the coast of Maine. Jean T will be running the meeting in October, but as always, feel free to call or email me.

Looking forward to getting out in the woods and water this fall. Happy hunting!

Sarah Ingle
President
